### **Education:**

**MS, Pepperdine University, Malibu, California**

**MS, Hunter College, City University of New York, NYC**

**BFA, Arizona State University, Tempe, Arizona**

### **About the Artist:**

**Susan K. Boyle most often works in the medium of fluid acrylics. Working from life, she employs a variety of tools to capture the gesture and spirit of the model, including brushes, pens, crayons and even ordinary sticks. Boyle aims to convey the contour and attitude of the individual. Finishing each artwork with fluid acrylics in brilliant colors she creates vibrant, joyous paintings. Boyle has been exhibiting publicly for over seventeen years. Her work may be seen in private collections across the Americas.**
