REAL TALK

I am a classically trained artist who received a reality check and began furiously learning graphic design. The romance was quick, but my love affair with graphic design will last a lifetime. I strive for clean and modern design and thrive on deadlines and client input.

LEFT TEXAS

2007

attended SMFA

Mass College of Art and Design, MFA

Linda Lichtman Glass Studio

designed letterhead, public art proposals, edited images

photoshopped images, created inventories, layout art materials

2010
