

If you are interested in purchasing artwork.....

1. First of all.... Thank You!
2. All of the original images that are *for sale* should have a price next to the title at the bottom. If you don't see it you may have to click directly on the image and scroll down. If you still don't see it, it may have already been sold. In any case, please contact me directly so we can discuss the details at john@johnmartinek.com
3. You can also purchase Art directly through Paypal if you want to. Simply click on the linked price and then follow the instructions.
 - a. This purchase price does not include shipping
 - b. Please contact me directly to arrange shipping if you live far away or delivery if you live near Iowa City
 - c. If it's easy...I may include shipping or delivery in the cost, it just depends on what it is and the cost to ship
4. A BETTER way to do it is to contact me directly - and we can make arrangements for payment and delivery/shipping together.
 - a. This is a better way to go because we can discuss the details and I can give you a more accurate price including sales tax and shipping.
 - b. I can also provide additional info about the piece prior to purchase. Like whether or not it is immediately available (if it's in a show). Or for works like woodcuts or etchings...what options are available. Or if someone else already purchased it....see #6 below.
5. I have a lot more work available than what is shown on this website. If you are truly interested in looking at more stuff...contact me directly and we can arrange a time to meet to look at more work.
6. Almost anything seen here can be reproduced as a high quality archival digital print. I work with Wilderness Studios near Iowa City to create high quality photographs and reproductions of my work. The cost of purchasing a print is typically far less than purchasing the original and you have the option to change the size. If you are truly interested in this option please contact me directly and we can discuss it. I don't typically have any of these prints in stock but would be happy to make arrangements to have them printed on an "as needed" basis.
