

Hi folks...

The info sheet for my current show:

“THE NAMED & THE UNNAMED” (August 1st thru October 31st)

...has been moved. No download needed any longer!

Simply go to the menu and click/ touch the PORTFOLIO

Option. Then select THE NAMED & THE UNNAMED

Subheading....all pieces in the show are there, including images,
pricing, and dimensions. All pieces come framed.

There are additional pieces from this series available as well. They can
Be viewed on my Instagram page at: [friendsofentropy](#).

If you desire a purchased piece asap, contact me directly via Instagram or at
my email address: brilliant.light@yahoo.com . You also have the option
of selecting one of three versions of the frame if you prefer at that time.

It will take 1 to 1.5 weeks to make new frame as all framed pieces in show
cannot be removed from wall but actual pieces can be swapped from show.

Any further questions can be directed to me personally.

Hope you N-joy the show!
