RELATED WORK EXPERIENCE

Artist Programs Manager. Kala Art Institute. 2015-present

The Artist Program Manager manages all Kala Artist-In-Residence Programs including the AIR, Fellowship, and Sustainable Arts Residency Awards. Manages and organize partnership residency programs with CCA, SFSU, and Mills College. In addition to the ongoing residency programs, this position also manages and organizes special initiatives such as Print Public, an ongoing community engagement program which currently includes six artists or teams that have an 18-month timeline that includes a residency, programming, and exhibition.

Darkroom and Photo Equipment Manager. Ohio University. 2012 - 2015

Darkroom manager is responsible for maintaining the darkroom space, mixing chemicals, setting up developing and printing stations, keeping inventory on supplies and chemicals and organizing student workers. Darkroom manager opens and closes labs, inspects and prepares all labs, darkrooms, related chemistry, shooting studios, installs software and maintains upgrades on all computers, printers, scanners, peripheral equipment.

Public Affairs Specialist. US Army Reserve. 2010 - 2013.

Public Affairs Specialist participates in and assists with the supervision and administration of Army public affairs programs primarily through news releases, newspaper articles, web-based material and photographs for use in military and civilian news media.

Intern, Studio Assistant. Marsha Perry Photography. Birmingham, AL. Fall 2011.

Interning duties included preparing the lighting studio, editing photographs and assisting the photographer on site.

Ammunition Specialist. US Army Reserve. 2005-2010

Ammunition specialists are responsible for the management of ordnance (ammunition and explosives). They are tasked with shipping, receiving, storing and issuing conventional ammunition, guided missiles, large rockets, explosives and other explosive related items. Ammunition Specialist performs maintenance modification, destruction and demilitarization on ammunition and explosive components; operate computer hardware and software/utilities manual records in order to perform stock control and accounting procedure.
